

# EXCELLENCE IN TRANSPORTATION AWARD

Application must be received by the ITD Awards Coordinator by **February 27, 2009 at 4:00 p.m.**

## Engineer of the Year - Nomination Criteria

This award recognizes an engineer who has made outstanding contributions to the engineering profession. The nominee must be currently employed and licensed as an engineer in the State of Idaho. The nominee can be recognized for demonstrating excellence in either technical engineering or in leadership/management within the Transportation industry.

**Narrative:** Please provide a brief narrative describing the nominee's exceptional accomplishments in the following:

- Achievement in engineering design, research, development or management
- Use of innovative solutions to overcome challenges
- Advancement of the knowledge base in one of the many civil engineering disciplines
- Consistent performance at a high level of achievement
- Has made fundamental and long-term positive impacts within the Transportation industry

### Entry Requirements:

- 1.) Nomination narrative is limited to 1000 words
  - a. Photos included within the narrative document are permissible
- 2.) Narrative document to be double-spaced for readability
- 3.) Submit three stapled sets of the nomination narrative
- 4.) Submit one copy of the Nomination Application (see below)

**Judging:** The winning nomination will be selected by a panel of qualified professionals from across the transportation profession. The award winner will be officially announced at the 2009 Project Development Conference Awards Banquet held at the **Boise Centre on the Grove on April 7, 2009 from 6-8 p.m.**

### Send Entries To:
